

Orchard View "In Action"

Kate's Corner

Hello to everyone,

Spring has sprung, the grass has riz and I wonder where all the birdies is... Good riddance to a long winter.

I am excited to start our spring clean up and get the courtyards opened and gardens growing. Our miniature animal "farm" is our next project to tackle – barn built, grass grown, food purchased and some cute lil animals should do the trick...

I think some fresh air would go along way after the winter we've had. If you would be interested in gardening or other Spring outdoor tasks, please let us know. In May we will get some volunteers together to go buy some plants and flowers. Please see Michael if you would be interested.

I want to take this opportunity to thank all of our resident volunteers who do so many jobs that make our home better. Whether its' friendly visits with residents on the Memory Living floor, hosting group activities, maintaining a beautiful library or helping Michael set up for events – THANK YOU for all you do.

As always, if you wish to pop in and see me, please do not hesitate.

Kate
