## Testimonial - Susan Raybould

Thank you for the kindness, warmth and professionalism from all your staff for the short time our Mother lived with you. We have, and will continue to spread the word on the wonderful care, extraordinary people, and amazing facility we enjoyed during Moms stay at Orchard View.

## Rock Star of the Month - Kristine Biernath

We would like to thank and acknowledge all the hard work and dedication to the residents and fellow staff members from day one! Kristine was our first dietary aid at Orchard View she knows the residents and loves the residents, her coworkers are like family to her. Whenever anything is needed Kristine will be there no questions asked. She is full of energy, loves to help, has even tried her hand at baking for our events! Without Kristine the Dining Room and Kitchen would feel a lot different. Congratulations to Kristine and keep up the amazing work. **YOU ROCK!**

As Christmas 1959 approached the Dunn family found they had all the personnel for a manger scene because a new male child had recently been born. Thus, they staged their own nativity scene and used it as their Christmas greeting card.
